

Understanding your Prairie Land Electric Energy Bill

Prairie Land's general contact information

Customer's name and billing address

Each service is listed individually on the bill. The location, description and rate is printed at the top of each service.

Meter information including meter number, reading, total usage and demand is printed in this area.

Always return the bottom portion of the bill with your payment.

Located on the back of your bill is additional information about billing dates, past due status, what to do in case of an outage, as well as our budget billing and auto pay programs.
